I have read and understand the terms and conditions of enrolling in the Transportation Expense Program. I understand the option selected above will stay in effect until I make a change or discontinue my participation in the program. I also understand that Commuter Services reserve the right to cancel my participation in the program if the required payment cannot be deducted from my biweekly pay warrant and no other payment arrangements were made. I authorize the County of Riverside to collect the required payment on a pre-tax basis for the amount indicated above. If my earnings during any pay period are not enough to cover my deduction, I understand that it is my responsibility to pay my monthly or partial month fee directly to Commuter Services in order to keep my transit pass active. Failure to do so may result in cancellation of my participation in the Transportation Expense Program.

I understand that in the event a deduction is not collected for ANY reason (LOA, etc.), it will automatically be added to the next scheduled deduction. Any subsequent missing deduction(s) will result in automatic termination of my participation and my access to the transit pass will be inactivated until I return to the Commuter Services Office to settle any outstanding payments to restart my participation.

I understand that my first deduction for the Transportation Expense Program will be a full month's deduction, which covers the first two weeks and the last two weeks of participation. ***If I decide to discontinue my participation in the program, I will complete and submit a stop contribution request via a Transportation Expense form and give the County two weeks' notice, and my qualified expense will not be deducted for the last two weeks since I paid for this expense in advance. I further understand that NO REFUNDS WILL BE GIVEN FOR ANY MONTHLY PASS(ES) ISSUED.***
