Choose a program that meets your needs  
University of Redlands School of Business

**Convenience.** Classes meet the same evening each week throughout each 2-year program.

**Quality.** Top-notch professors and small class sizes ensure a genuine learning environment and opportunities to learn from your peers.

**Relevance.** We work with business leaders to refine our curriculum. You get the education needed to succeed in the business world.

**Innovation.** Redlands is a pioneer in academic programs for working adults.
