- A. This MOU sets forth the full and entire understanding of the parties regarding the matters set forth herein and any other prior or existing understandings or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

Except as modified herein or as otherwise required by law, existing wages, hours and other terms and conditions of employment set forth in the County Salary Ordinance and related resolutions and regulations shall continue in effect. The terms used in this MOU shall have the same meaning as like terms used in the County Salary Ordinance and related resolutions and regulations.

- B. It is the intent of the parties that this MOU be administered in its entirety in good faith during the full term. It is recognized that during such term, it may be necessary to make changes in rules or procedures affecting the employees in the unit. Where the County finds it necessary to make such changes, it shall notify SEIU indicating the proposed change prior to its implementation.

Where such changes would significantly affect the working conditions in the unit, where the subject matter of the change is subject to negotiations pursuant to the Meyers-Miliias-Brown Act, and where SEIU requests to negotiate with the County, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the unit.

Nothing herein shall limit the authority of the County to make necessary changes required during emergencies. However, SEIU shall be notified of any such emergency action which affects matters within the scope of representation. Emergency shall be defined as unforeseen circumstances beyond the control of the County which call for immediate action to include such things as acts of God or situations which threaten to significantly impair operations.

Where the County makes any changes in working conditions because of the requirements of Federal or State law, the County shall not be required to renegotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

- C. Except as specifically provided herein, it is agreed and understood that each party voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of negotiations during the term of the MOU.

3. To exercise control and discretion over its own organization and operations.
4. To direct, discipline and discharge its employees in accordance with the law, ordinances, regulations and this MOU.
5. To relieve its employees from duty because of lack of work or for other legitimate reasons.
6. To determine the methods, means and personnel by which its operations are to be conducted, including the performance thereof by contract, and to determine workload and staffing patterns.
7. To prescribe the qualifications for employment and determine whether they are met.
8. To establish and enforce safety measures to protect employee and/or the public.
9. To take all other action except as clearly and expressly otherwise provided by this MOU or the Employee Relations Resolution.

ARTICLE 5
WORKWEEK, OVERTIME AND PREMIUM PAY

Section 1. Workweek

- A. Pay Period. Fourteen (14) calendar days from Thursday (starting at midnight Wednesday) to midnight of the second Wednesday thereafter.
- B. Work Schedule. The normal work schedule is a 5/40 schedule (five (5) eight-hour days per work week excluding un-paid meal periods). The following alternative work schedules may be established to meet the operational needs of the department(s):
1. 9/80 schedule (four, nine-hour days per work week and one eight-hour day per pay period)
 2. 3/12 schedule (three, twelve-hour days per work week)
 3. 4/10 schedule (four, ten-hour days per work week)
 4. 3/12-4/12 schedule (three, twelve-hour days per work week and four, twelve-hour days every other week)
 5. 6/12-2/4 schedule (three, twelve-hour days and one, four-hour day per work week)
 6. 6/12-1/8 schedule (three, twelve-hour days per work week and one alternating eight hour day every other week)

The County shall have exclusive authority to establish or eliminate alternative work schedules for employees and the union affirmatively waives its right to meet and confer over the change in work schedule, provided however, that where a change in the work schedule effects a group of five (5) or more employees, the union does not waive its right to meet and confer on the impacts of the County's decision as to those employees. A department head with prior approval of the County Executive Officer and the Human Resources Director may establish or eliminate an alternative work schedule after giving at least one (1) pay period written notice to employees and, in cases where the decision effects five (5) or more employees, within a division or unit within a Department, to the union. If the union requests to meet and confer on the impacts of the decision effecting a group of five (5) or more employees within five (5) days of the written notice, the implementation or elimination of the alternative work schedule will not take effect until the next following pay period (i.e., the pay period after the pay period the department originally designated as the start of the new work schedule).

Scheduling & Shift Assignments. SEIU agrees that the County shall retain exclusive control to assign schedules or shifts to employees within the established

work schedule (normal or alternative) and hereby waives any right to negotiate the decision or impacts (unless otherwise specified in this MOU), or grieve the County's decision, during the remaining term of this MOU. The County shall provide one (1) pay period written notice to affected employee/s prior to implementing a schedule change. One (1) pay period notice is not required for overtime, standby, and emergencies as defined in this MOU.

- C. Flex schedules (i.e., the work schedules set forth in paragraph B above) shall be made available under the following conditions:
1. Overtime shall be earned and compensated under this section according to the provisions of Section 2 of this Article.
 2. In order for an employee to work an alternative and flex work schedule, the employee must continue to maintain the workload assigned within the work period. The department may establish core hours of work. In addition, employees must agree to clear their schedule to attend staff meetings, training classes or any other meetings or events that the department requires the employee to attend. It is mandatory for an employee to follow reporting requirements of the department and any other requirement in the department's policy, procedures and handbook. It is incumbent on the employee to keep abreast of all events that affect their schedule.
 3. At the discretion of the County, Registered Nurses and Licensed Vocational Nurses throughout the Riverside University Health System ("RUHS") may maintain their 3/12 schedules. Such schedules will be treated as full-time positions for the purpose of all benefits in accordance with the other provisions set forth in the MOU and the 72-hour nurses shall be entitled to all full-time benefits as if they were classified as full-time employees under the MOU. 72-hour nurses shall not be entitled to CalPERS contributions beyond their actual accrued CalPERS eligible compensation.
 4. At the discretion of the County, if Respiratory Care Practitioners are assigned to a 3/12 schedule, then such schedule will be treated as full-time positions for the purpose of all benefits in accordance with the other provisions set forth in the MOU and the 72-hour Respiratory Care Practitioners shall be entitled to all full-time benefits as if they were classified as full-time employees under the MOU. These employees shall not be entitled to CalPERS contributions beyond their actual accrued CalPERS eligible compensation.
- D. Command Post Schedules. A Command Post provides off hours emergency response services by Social Services Practitioners (assigned to Children's Services) and Social Services Supervisors (assigned to Children's Services). The department shall regularly review the Command Post to ensure that it is providing a quality, cost effective solution to the off duty hours emergency response needs of the County. The department reserves the right to determine the work

assignments for Command Post staff. However, the general focus of the Command Post is after-hours emergency response for the purpose of reducing the burden of on call duty for other departmental staff. The following conditions apply to all employees that are assigned to the Command Post:

1. Employees not working the third or weekend shifts shall be scheduled for forty (40) straight time hours as follows:
 - a. Regular Shift: Monday to Thursday from 3:00 p.m. until 1:30 a.m.
 - b. Standby Duty: Up to four (4) on-call duty shifts of six and one half (6 ½) hours each week. Generally, employees will be scheduled for standby duty shifts Monday to Thursday from 1:00 a.m. until 7:30 a.m. the following morning. However, the weekly standby duty shifts may be scheduled on other days or times during the week to meet departmental staffing needs.
2. Third Shift. Employees assigned to the Command Post third shift will be assigned a 4/10 work schedule, Monday through Thursday, the hours of which will be determined by the department.
 - a. Employees assigned to the Command Post third shift shall receive a meal allowance of ten dollars (\$10.00) for each shift actually worked.
3. Weekend Shift. Employees assigned to the Command Post weekend shift will be assigned a 3/12 work schedule, Friday through Sunday, the hours of which will be determined by the department, plus a floating four (4) hour shift each week, Monday through Thursday, at a time to be determined between the employee and their supervisor.
 - a. Employees assigned to the Command Post weekend overnight shift shall receive a meal allowance of ten dollars (\$10.00) for each shift actually worked.
4. The alternative shift configuration for the Command Post may be changed at the discretion of the department to meet staffing needs including, but not limited to, the configuration of the hours of work, the start and stop times for the regular shifts, and the days of work during the week according to the provisions of Section 1(B) of this Article.
5. Completing Court Reports. Any employee in the Command Post who is required to complete a court report as the result of an emergency response shall complete the court report immediately following the emergency response or during the next regularly scheduled work shift. If it is not possible to complete the court report immediately following the emergency response, and the report is due prior to the commencement of the next regularly scheduled work shift, then the employee shall request and obtain

permission from their supervisor to complete the report on non-scheduled time.

6. Assignment to Command Post. Assignments to and removal from the Command Post will be made at the discretion of the department head or designee. Such decisions are not subject to either the grievance or disciplinary appeal procedures in the MOU and cannot be made or interpreted as disciplinary action. Employees assigned to the Command Post may also request reassignment from the Command Post in accordance with the department's normal procedures. Reassignment will be made as quickly as possible following receipt of the request from the employee.
7. Employees shall be given an opportunity to express their interest in an assignment to the Command Post and the department will maintain a list of interested employees and attempt to staff the Command Post from the list of interested employees. If an insufficient number of employees signify interest in the Command Post, or if the employees on the list do not meet the staffing requirements of the department, the department reserves the right to assign employees to the Command Post to ensure full and appropriate staffing levels.
8. The County reserves the right to amend or revise the rules described herein with respect to the Command Post to create a more effective Command Post model and/or discontinue the Command Post program, subject to any meet and confer obligations with SEIU regarding the effects of such decisions. Notice for changes to the shift patterns of the Command Post will be provided prior to the implementation of any change according to the work schedule requirements of this MOU.

Section 2. Overtime

- A. Overtime. Overtime work is authorized work in excess of the forty (40) hours in the established FLSA work week unless otherwise specified in this MOU. Only actual hours performing work shall count towards the computation of overtime.

Time off due to low census staffing at RUHS-Medical Center (as addressed in Article 32) shall not be counted towards the calculation of FLSA overtime in the established work week.

Exceptions:

1. Fire Communications Supervisor, Sheriff's Communications Supervisor and Sheriff's Records/Warrants Supervisor Classifications. If employees are required to work an extra shift or shifts beyond their regular shift pattern, they shall be paid at one and one-half (1½) times their base rate of pay. This provision applies only to extra shift(s) or shift extension(s) that are

identified on the schedule or given as mandatory work assignments and does not apply to other voluntary work assignments taken by the employee during the workweek.

2. Transportation Department Classifications. Any employee in the Transportation Department who is required to work extra shifts and/or hours beyond their regular shift pattern shall be paid at one and one half (1½) their base rate of pay for such time worked, whether or not such work would qualify as overtime pursuant to the provisions of the FLSA.
3. Flood Control. Any employee from Flood Control required to perform storm water sampling to meet regulatory permit mandates or required to work during a storm event and/or other emergency, who are asked and/or required by the Department Head or their designee to work extra shifts and/or hours beyond their regular shift pattern, shall be paid at one and one half (1½) their base rate of pay for such time worked.
4. Building and Safety Department Classification. Employees in the following classifications in the Building and Safety Department who are asked and/or required by the Department Head or their designee to work extra shifts and/or hours beyond their regular shift pattern, shall be paid at one and one half (1 ½) their base rate of pay for such time worked, whether or not such work would qualify as overtime pursuant to the provisions of the FLSA. (i.e. the employee would be eligible to be paid at one and one half (1 ½) times their base rate of pay even if the employee used sick, vacation, or holiday leave accruals in the pay period):
 - a. Supervising Land Use Technician
 - b. Supervising Building Inspector
 - c. Principal Building Inspector
 - d. Plans Examiner II, III, IV, and V
5. Supervising Code Enforcement Officers who work extra shifts and/or hours beyond their regular shift pattern required by the Department Head or their designee shall be paid at one and one half (1 ½) times their base rate of pay for such time worked whether or not such work would qualify as overtime pursuant to the provisions of the FLSA (i.e., the employee would be eligible to be paid at one and one half (1 ½) times their base rate of pay even if the employee used sick, vacation, or holiday leave accruals in the pay period).

This overtime exception applies during the following, unless the Board of Supervisors declares the need for Code Enforcement to deploy staff to engage in Countywide events:

- December 31st – New Years Eve
- Coachella & Stagecoach Festivals

- July 4th – Independence Day
- Community Development Events
- Short Term Rental Events

--	--

For the purposes of this provision only, a “weekend shift” shall be defined as one (1) shift starting on or after 3:00 p.m. Friday and ending on or before 7:30 a.m. Monday. Employees are required to work a minimum of two (2) weekend shifts per pay period. Employees who work a majority of hours during a “weekend shift” shall be considered to satisfy one (1) mandatory weekend shift requirement. For the purposes of this Section, a “majority of hours” shall mean at least half or more of the shift was worked during a “weekend shift.” An “extra weekend shift” is any weekend shift worked after the completion of two (2) mandatory weekend shifts in the same pay period. The two (2) mandatory shifts may be consecutive or non-consecutive. An “extra weekend shift” starts on or after 3:00 p.m. Friday and ends on or before 7:30 a.m. Monday. To qualify for double time on an “extra weekend shift,” employees must have actually worked their regular schedule for the entire pay period. Employees who were voluntarily or involuntarily released from duty due to low census staffing shall be deemed to have worked those hours for the purpose of qualifying for double time on an “extra weekend shift.”

All classifications listed above as eligible for double time on an extra weekend shift are required - unless specifically excluded by the department head or designee - to work two (2) non-premium weekend shifts during the bi-weekly pay period. An extra weekend shift for any employee exempted, in whole or in part, from the mandatory weekend requirement by the department head or designee is a weekend shift in addition to their normal schedule as established by the department head or designee, provided that the employee actually worked their normal schedule that pay period.

- C. Authorization for Overtime Work. Performance of overtime work may be authorized by the department head or designee. Employees shall not work more than sixteen (16) hours in any workday without prior approval of the County Executive Officer or designee, except in case of public emergency.

There shall be no favoritism in the assignment of overtime work.

- D. Departmental Records. Each department head or designee shall keep complete and detailed records as to the attendance and pay status of each employee. This shall include actual hours of overtime work for each employee in each work week, with justification in each case, and shall also include compensatory time off.

The County Auditor-Controller's Office shall maintain the record of overtime credit at one and one-half (1½) times such actual hours. Nursing Classification & Realignment reclassification and realignment of registered nursing classifications, no employee shall suffer a loss of compensation as existed on the day the reclassification and realignment was implemented.

If, as a result of reclassifying the registered nursing classifications and removing the specialty care, critical care, and advanced care differentials from the base salary of those classifications, an employee experiences an actual loss in their normal wages (base salary plus the specialty care, critical care, or advanced care differentials) that would have otherwise not occurred had the existing model remained in place, the County and SEIU will immediately meet and confer to effectuate a remedy to address the employee's actual loss in their normal wages (base salary plus specialty care, critical care, or advanced care differentials). If, after meeting and conferring, the County and the Union are unable to agree on a remedy, the matter will be automatically submitted to final and binding arbitration pursuant to the grievance and arbitration procedure.

By the reclassification and uncoupling of specialty, critical care, and advanced care differentials from base salary, it is not the intention of the County to prevent the specialty, critical care, and advanced care differentials from being pensionable compensation under the Public Employees Retirement Law.

PAY PRACTICES

Section 1. Merit Increase

- A. The compensation of every person employed in a regular position shall be considered for a merit increase upon their anniversary date, except as herein otherwise provided.

Section 2. Anniversary Dates

- A. Anniversary Dates. The first anniversary date as a result of an original appointment shall be the first day of the pay period following the completion of twenty-six (26) pay periods in a paid status in the position. Employees shall receive credit for a full-pay period whenever they are in paid status for any time during that pay period. Time off due to low census staffing at the RUHS-Medical Center shall not affect the calculation of the anniversary date even if the employee was absent without pay.
- B. The first anniversary date as a result of promotion or reclassification which involved a salary increase shall be the first day of the pay period following the completion of thirteen (13) pay periods in a paid status in the position. Employees shall receive credit for a full-pay period whenever they are in paid status for any time during that pay period. Time off due to low census staffing at the RUHS-Medical Center shall not affect the calculation of the anniversary date even if the employee was absent without pay.
- C. Re-employment at a rate other than the minimum salary for the classification's salary plan/grade shall be considered an original appointment for purpose of fixing the anniversary date.
- D. The second anniversary date shall be the first day of the pay period following the completion of an additional twenty-six (26) pay periods in a paid status and subsequent anniversary dates shall occur at like intervals. Time off due to low census staffing at the RUHS-Medical Center shall not affect the calculation of the anniversary date even if the employee was absent without pay.
- E. The provisions of this Section shall be subject to other specific provisions of this MOU concerning change of anniversary dates.
- F. Denial of Merit Increase. The department head or designee may disallow a scheduled merit increase provided a performance evaluation is first reviewed and approved by the Human Resource Director or designee. If the increase is disallowed, the employee will be provided the reasons therefore in writing.

If the department head or designee disallows such increase, the department head or designee shall review the matter at least quarterly, and may allow the increase effective on the first day of any pay period after that in which the increase could

have been allowed. The responsibility for submitting a written allowance of increase, after disallowance, shall be with the department head or designee. The anniversary date shall be postponed until an increase is allowed. Such salary increases shall be given only on the affirmative decision of the department head or designee, which shall be made only on the basis of continued satisfactory performance in the position.

The Human Resources Director shall promptly act on each increase allowed and the employee shall be paid at the increased rate from the anniversary date. If, through error, the anniversary date of an employee is delayed or omitted, the resulting failure to increase the rate of pay may be cured by retroactively adjusting the rate of pay to the anniversary date.

- G. Seasonal Employees. With the same procedures as in the foregoing Subsection B, on the first day of the pay period following the completion of twenty-six (26) pay periods in a paid status, the salary of a seasonal employee shall be increased. Employees shall receive credit for a full-pay period whenever they are in paid status for any time during that pay period. On the first day of the pay period following the completion of an additional twenty-six (26) pay periods in a paid status, the employee's salary may again be increased, and thereafter in like intervals. Employees shall receive credit for a full-pay period whenever they are in paid status for any time during that pay period. The hours in a paid status need not be continuous, provided no interval of more than twenty-six (26) pay periods shall occur when the employee is in an unpaid status.
- H. The compensation of every person employed in a regular position shall be considered for a four percent (4.0%) base salary increase upon their anniversary date, but not to exceed the maximum salary of the salary range for the employee's classification, except as otherwise provided by the MOU. If at the time of the employee's anniversary date, the employee's existing salary is less than 4.0% below the maximum of the salary range for the employee's classification, the employee's anniversary date merit increase shall be at an amount that places the employee at the maximum of the classification's salary range.

Section 3. New Employees

- A. Except as otherwise provided by this MOU, a new employee shall be appointed at the minimum salary of the classification's salary range. The department head with the prior approval of the Human Resources Director may appoint a new employee in a specified class to any salary within the salary plan/grade if the employee has: (1) qualifications substantially greater than the minimum for the class; and (2) experience, which if it had been obtained in the position applied for, would have made the employee eligible for the higher salary proposed. When the Human Resources Director authorizes a position to be filled at such a rate that is higher than the minimum of the range, except in cases where a new employee has the experience and/or qualifications that justify a such a rate, the Human Resources Director and the may also advance all incumbents of positions in the same class.

When the Human Resources Director authorizes a position to be filled at a rate of pay equivalent to or higher than an incumbent with greater experience and/or qualifications than the person being hired, SEIU shall have the right to request to meet and confer regarding equity adjustments for incumbents. This right to meet and confer shall not delay the County's right to hire the candidate. The anniversary date for new employees shall be the first day of the pay period which is not less than twenty-six (26) pay periods in a paid status thereafter. The anniversary date for the incumbent employee(s) shall not change.

B. Difficult to Recruit Positions.

1. Classifications or Positions Designated as DTR.

Notwithstanding the provisions of this MOU, employees shall be compensated at a rate up to eleven percent (11%) of their base rate of pay for hours actually worked in a pay period for those positions identified in specific classifications in a specific department designated by the Human Resources Director as "difficult to recruit" (DTR).

Eligibility for the DTR differential shall be determined by the Human Resources Director based on a specific position, classification, geographical location, and/or department basis that a recruitment or retention issue exists and the DTR designation would assist the County in recruiting and retaining employees in the specific position, classification, geographical location, and/or department. After implementation, SEIU shall have the right to meet and confer over a DTR.

Eligibility for the DTR differential shall not be automatic nor shall such a determination have any bearing on the same or similar classifications (or similarly situated classifications). Upon such determination and approval, any differential granted pursuant to these provisions shall be implemented as follows:

Upon prior authorization of the Human Resources Director, the initial salary placement for newly hired employees may be at any rate within the salary plan and grade for their classification and shall be compensated a DTR differential.

The DTR differential shall only apply to actual hours worked.

The assignment of the DTR differential shall trigger a review by the Human Resources Department of the position and classification. The review shall consist of review of market benchmarks, turnover rates, exit surveys and other factors that may have created the recruitment/retention issue. In the event the Human Resources Director determines the circumstances that created the recruiting or retention problem(s) for any and/or all position(s)

in the specific classification in the specific department no longer exist, they shall declare the provisions described above inoperative for such specific position(s)/classification(s). At that time, the DTR differential shall cease. In the event the Human Resources Director determines the recruitment/retention issue is related to a market parity issue, the Human Resources Director may recommend to the Board of Supervisors an adjustment to the salary range of the classification for parity purposes or propose another solution to resolve the recruitment/retention problem deemed acceptable within the provisions of this Ordinance. Should a salary adjustment occur due to a market parity issue, the DTR differential shall no longer apply.

- a. A review of all position(s)/classification(s) designated as DTR shall be conducted annually. For any classifications or positions identified as “difficult to recruit” (DTR) for a period of one-hundred and eighty (180) days or greater, including any classifications or positions identified as (DTR) as of March 21, 2024 , the County shall have the following four options:
 1. Remove the DTR;
 2. Incorporate it into the base salary of the classification or position;
 3. Create a permanent differential premium equivalent to the DTR pay; or
 4. Create a new classification in which the DTR pay will be included in the base pay for that classification.

If requested by SEIU, the parties shall meet and confer over items 2 and 3 above. As for number 4 above, the County has the right to create a new classification, but if requested by SEIU, shall meet and confer over salary and terms and conditions of employment. SEIU must request to meet and confer within ten (10) business days of being notified by the County.

Section 4. Re-Employment

- A. Upon recommendation of the department head or designee and approval of the Human Resources Director or designee, a former regular employee may be re-employed in the same classification which they previously occupied, at the same salary of the salary plan/grade as the salary applicable at the time of separation, provided they were separated in good standing (i.e., the employee was not terminated for cause) and passed probation in that classification.
- B. Whenever a former regular employee is or has been re-employed within twenty-four (24) consecutive months after separation they may, on recommendation of the department head or designee and with the approval of the Human Resources Director or designee, be allowed restoration of previously accrued sick leave, not exceeding the amount thereof which was lost (unless the employee received sick leave payout upon retirement in which case there will be no restoration of sick

leave), and to earn vacation at the rate at which the employee was earning at the time of separation. The anniversary date for merit increase may be expressly fixed, subject to limitations as provided in this MOU to allow credit for all or a portion of the applicable period of service prior to said separation.

- C. Re-employment of Retired Persons. An employee who is retired under the California Public Employees' Retirement Law ("PERL") and who is receiving retirement benefits shall not be employed or re-employed in any position for compensation without the prior written approval of the Human Resources Director. Consistent with the requirements of the PERL for discontinuance of retirement benefits, the retiree may be employed or re-employed.

The Human Resources Director may allow the employment or re-employment for up to nine hundred sixty (960) hours in any fiscal year, without loss of benefits, as specified in the law. The law permits the temporary employment only during an emergency to prevent stoppage of public business, or because the restored employee has skills needed in performing specialized work of limited duration. During the employment or re-employment the retiree is to be paid at a rate not less than the minimum, or more than that paid other employees performing comparable duties.

When a retiree under the PERL is employed or re-employed, their retirement status must be specified in the documentation of appointment to a permanent or temporary position.

Section 5. Promotion

On promotion, the salary shall be at a rate on the new salary plan/grade which is five and a half percent (5.5%) higher, than that paid on the salary plan/grade of the former position where the new salary plan/grade is able to accommodate the increase; if the new salary plan/grade is unable to accommodate the increase, the rate shall be to the maximum of the new salary plan/grade. The effective date of all promotions shall coincide with the first day of a pay period. The anniversary date following a promotion shall be determined as if the date of promotion were the date of employment.

Section 6. Transfer

An employee who is laterally transferred shall maintain the same salary as previously paid before the transfer. The anniversary date shall not change.

Section 7. Demotion

- A. On demotion, the salary shall be at the rate which will result in a five and one half percent (5.5%) reduction in compensation where the new salary plan/grade is able to accommodate the decrease. If the salary plan/grade of the demoted classification is unable to accommodate the reduction, the rate shall be to the

maximum of the range of the demoted classification. The anniversary date shall not change. The effective date of all demotions shall coincide with the first day of a pay period.

Time off due to low census staffing at the RUHS-Medical Center shall not affect the calculation of the anniversary date even if the employee was absent without pay.

- B. Permanent employees who, within twenty-six (26) pay periods following a promotion, voluntarily demote to their previously held classification may return to the rate of the previously held classification from which they promoted. Demotion under this section shall be with the mutual agreement of the employee and involved department head(s) and an opening must exist. The anniversary date shall not change.

Time off due to low census staffing at the RUHS-Medical Center shall not affect the calculation of the anniversary date even if the employee was absent without pay.

Section 8. Reclassification

- A. The salary of an incumbent of a position reclassified to a class on the same salary plan/grade shall not change. The anniversary date shall not change.
- B. The salary of an incumbent of a position reclassified to a class on a higher salary plan/grade shall be placed at a rate which is five and a half percent (5.5%) higher, than that paid on the salary plan/grade of the former position where the new salary plan/grade is able to accommodate the increase; if the new salary plan/grade is unable to accommodate the increase, the rate shall be to the maximum of the new salary plan/grade.

The anniversary date following a reclassification to a class with a higher salary plan/grade shall be determined in accordance with this MOU section, except that the first anniversary date shall be the first day of the pay period following the completion of thirteen (13) pay periods in a paid status, in the new classification. Employees shall receive credit for a full-pay period whenever they are in paid status for any time during that pay period. Thereafter, anniversary dates shall be on the first day of the pay period following each additional twenty-six (26) pay periods in a paid status. Employees shall receive credit for a full-pay period whenever they are in paid status for any time during that pay period. Time off due to low census staffing at the RUHS-Medical Center shall not affect the calculation of the anniversary date even if the employee was absent without pay.

- C. The salary of an incumbent of a position reclassified to a class on a lower salary range shall not change unless such salary would exceed the maximum of the new range, in which event it shall be reduced to the maximum. The anniversary date shall not change.

D. The effective date of a reclassification shall be the first day of a pay period.

Section 9. Temporary Promotion

A regular employee may be promoted on a temporary basis (for a maximum of 960 hours) to fill a vacant position as a result of a leave of absence of the incumbent of that position, or pending appointment or recruitment to a vacant position. Such promotion is designated "temporary promotion". The salary of an employee temporarily promoted shall be determined as if the temporary promotion were an original appointment to the position.

When the absence ceases or the vacancy is filled, the employee shall return to their regular position, and their salary and anniversary date shall be re-determined as if the temporary promotion had not occurred (i.e., the anniversary date will be modified to reflect as though the employee did not leave the lower classification). Any merit increases which would have been due in their regular position shall be allowed.

Employees who are temporarily promoted shall not serve a probationary period in the temporarily promoted classification, nor will they obtain property rights to the classification. If the employee is promoted into the classification during the time they are serving in a temporary promotion, the time spent in the temporary promotion shall count towards completion of probation in the promoted into classification.

Written confirmation of such assignment(s) shall be placed in the employee's personnel file via an employee transaction form.

Section 10. Working in a Higher Classification

Any employee assigned in writing by a Department Head or designee to perform the duties of a higher classification for the pay period in which the assignment started and the following full pay period or more shall be compensated five and one half percent (5.5%) above their base rate of pay effective the first day of the first full pay period following when the duties were performed. Such accumulated hours of such assignment(s) shall be credited toward qualifying experience for possible promotion.

Section 11. Board Policy C-26

Employees are responsible for ensuring the County has the employee's correct contact information including address and contact phone numbers. Whenever there is an interview of an employee where the significant purpose is to investigate facts which may support disciplinary action, the employee has a right to be represented.

- A. As used in this procedure, "disciplinary action" means dismissal, demotion, reduction in compensation, suspension, or written reprimand in lieu of suspension imposed for disciplinary reasons, directly affects the wages, hours, or working conditions of a permanent employee.
- B. Unless otherwise specified, as used in this procedure, "department head" includes the department head or designee.

- C. Department, for purpose of this procedure, shall be defined as an agency, department, or district of the County which is set out in a separate section of Salary Ordinance No. 440.
- D. The Human Resources Director may for good cause extend the time for performance of any act required or permitted by this procedure, upon written request prior to expiration of the time fixed. Powers of the Human Resources Director may be exercised by a designee.

Pending investigation by the department head of an accusation or accusations against an employee alleging employee misconduct, covered under Article 12 of this MOU, the department head, may place the employee on a paid administrative leave for a period of time not to exceed sixty (60) calendar days with pay.

If the investigation is not completed within the sixty (60) calendar days referenced above, the paid administrative leave may be extended to a combined maximum of ninety (90) calendar days with approval by the Human Resources Director. In such cases, and except for good cause as determined by the Human Resources Director, the department head will notify the employee in writing as to what specific allegations are being investigated. The Union will also be notified as to the extension only. Additional paid leave may be granted. In the event the Human Resources Director does not approve the request for additional paid leave, the employee shall be returned to duty pending the completion of the investigation and the imposition of any disciplinary action provided, however, the department head may alter the employee's duties or assignment until the investigation is completed when they determine it is in the County's best interest. Section 3. Written Reprimand

Written reprimands may be issued by the appropriate supervisor, manager, or department head as a means to address employee conduct or performance deficiencies that do not

otherwise warrant just cause for “disciplinary action” (i.e., dismissal, demotion, reduction in compensation, suspension, or written reprimand in lieu of suspension). Written reprimands are maintained in the employee’s official personnel file and may be used as a basis for progressive discipline for same or similar violations or declining performance. The appeal officer shall meet with the employee and the employee’s designated representative, if any, within ten (10) working days after receipt of the employee’s written request to appeal the written reprimand, unless the appeal officer and employee mutually agree to extend this time period. The meeting may be attended by a representative from the County’s Human Resources Department. The meeting shall not be an evidentiary hearing, no witnesses shall be brought into the meeting to testify or be questioned, the employee shall not be subject to cross-examination and neither the appeal officer nor Human Resources representative shall be subject to questioning. The purpose of the meeting is to allow the employee, or their designated representative, an opportunity to provide the reasons as to why the written reprimand should be withdrawn or modified.

The appeal officer shall take one of the following actions in response to the appeal: (1) affirm the written reprimand in its entirety; (2) direct that the written reprimand be withdrawn and voided; or (3) amend the content of the written reprimand where appropriate to correct factual inaccuracies or policy violations. The appeal officer shall not modify the content of the written reprimand to add additional grounds for discipline. If the written reprimand is not withdrawn, the appeal officer’s decision shall be final with no further right of appeal and included in the employee’s personnel file with the written reprimand. The decision of the appeal officer may not be grieved.

Section 4. Notice of Disciplinary Action

- B. If the amended or supplemental notice presents new causes or allegations, the employee shall be afforded a reasonable opportunity to prepare a defense thereto (i.e., second *Skelly*). The employee shall not be required to file a further appeal. Any objections to the amended or supplemental causes or allegations may be made orally or in writing at the hearing.

Section 6. Appeals

Any employee may appeal any disciplinary action taken against the employee. The appeal shall be in writing and filed with the Human Resources Director, or designee, within ten (10) business days after the date of notification of action against which the appeal is made. An appeal shall:

If an employee fails to appeal the disciplinary action within the time specified, or after appealing, withdraws the appeal, the right to review is waived. Further, after an appeal is filed if the employee, or their representative, fails to take the next step to advance the appeal at any point in the process for ninety (90) calendar days the appeal is deemed to be withdrawn and the right to review is waived.

Section 8. Hearing Procedure - Minor Discipline

- A. When disciplinary action results in a suspension of eighty (80) working hours or less, or a pay reduction equal to a suspension of eighty (80) hours or less of an employee's base hourly rate, or a written reprimand in lieu of suspension of eighty (80) working hours or less, the appeal shall be determined under the following provisions:
 - 1. Appeals shall be heard by a person assigned by the State Mediation and Conciliation Service or another third party neutral, hereinafter referred to as an arbitrator, as agreed to by the parties. The arbitrator's decision may be verbal or in writing. The arbitrator's decision shall be binding on both parties, neither of which shall have the right of further appeal.
 - 2. Only the employee and one (1) non-attorney representative and the department head or designee and the Human Resources Director or a non-attorney designee shall take part in the presentation of any appeal, unless the employee is an attorney who is self-represented. Nothing herein shall prevent an attorney testifying to facts of which the attorney has personal knowledge and that which the attorney may be competent to testify.
 - 3. The appeal hearing and disposition of the appeal shall be informal, the object being to settle the appeal promptly by the parties. The parties shall have the right to offer evidence by witnesses at the hearing subject to the discretion of the impartial party. The arbitrator may consult with witnesses informally and otherwise investigate the controversy.
 - 4. The arbitrator may modify the disciplinary action, but in no event shall have the authority to increase the disciplinary action imposed to be greater than in Section 8(A) herein.
 - 5. The judgment of the arbitrator shall be rendered within five (5) business days of submission of the controversy to them. Provided, however, the

parties may mutually agree to extend the time in which the judgment may be rendered.

6. The arbitrator's authority shall be limited to deciding the issues submitted by the parties. The arbitrator shall have no jurisdiction or authority to add to, delete from, or modify any written provisions of any MOU.
7. All costs for the service of the arbitrator, if any, including but not limited to, per diem expenses, travel and subsistence expenses, a transcript, and the cost of the hearing room will be borne equally by the County and SEIU. SEIU shall not pay any costs associated with an arbitration hearing when a member elects not to be represented by SEIU at the hearing.

Section 9. Hearing Procedure - Major Discipline

- A. Appeals filed in cases of termination, suspension exceeding eighty (80) working hours, or pay reductions exceeding eighty (80) hours of an employee's base hourly rate shall be heard by a neutral.
- B. The parties shall maintain a jointly negotiated list of no fewer than seven (7) nor more than up to eleven (11) arbitrators who shall be selected by the striking method. The only remaining name after the striking process shall serve as the arbitrator. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If the arbitrator chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the arbitrator. If an arbitrator informs the County, they need to be removed from the list or can no longer serve, the parties shall promptly meet and confer over the addition of another arbitrator.
- C. The hearing shall be set by the Human Resources Director, or designee, and employee representative, or employee, within a reasonable period based on the arbitrator's availability and other scheduling factors.
- D. The employee and the department head may be represented by counsel or other representative, provided, however, that if the employee is not represented by legal counsel the employee may be represented only by SEIU.
- E. It shall be the duty of any County Officer or employee to attend a hearing and testify upon the written request of either the employee, the department head, or the arbitrator, provided reasonable notice is given the department employing the officer or employee. The Human Resources Director, or designee, shall arrange for the production of any relevant County record. The arbitrator is authorized to issue subpoenas.
- F. All appeal hearings involving the dismissal of an employee shall be reported by a stenographic reporter. All other appeals need not be reported but either the

employee or the department head may, at their own expense, provide a reporter for the hearing.

- G. The expenses of the arbitrator and transcripts, if required, shall be shared equally by the County and SEIU. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the disciplinary hearing.
- H. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.
- I. Within twenty-one (21) business days following the submission of the appeal, the arbitrator shall submit written findings of fact, conclusions of law, and the decision to the parties together with a copy of the appeal and a summary of the evidence taken at the hearing. The decision of the arbitrator shall be final subject to the right of either party to seek judicial review under Section 1280 et. seq. of the California Code of Civil Procedure.
 - 1. The arbitrator shall confine the decision to issues raised by the statement of charges and responses. The arbitrator shall act in judicial, not legislative manners. The arbitrator shall not amend, modify, nullify, ignore, add to or subtract from the provisions of the MOU but, rather, shall interpret and apply its terms.
 - 2. The arbitrator will not substitute their discretion and judgment for that of management for sustained charges unless the arbitrator finds that discrimination, unfairness, capriciousness, or arbitrary action by the County is proven.
 - 3. In the case of suspension/reduction in compensation or demotion, if the action is modified or rescinded, the appellant shall be entitled restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision. Restoration of retirement benefits is limited to that allowed by the California Public Employees Retirement Law.
 - 4. In the case of discharges, if the arbitrator finds the order of discharge should be modified, the appellant shall be reinstated to a position in the classification held immediately prior to discharge subject to forfeiture of pay and fringe benefits for any period of suspension imposed by the arbitrator.
 - 5. If the arbitrator finds the order of discharge should be rescinded, the appellant shall be reinstated to a position in the classification held immediately prior to discharge and shall receive pay and fringe benefits for all of the period of time between the discharge and reinstatement.

Restoration of retirement benefits is limited to that allowed by the California Public Employees Retirement Law.

6. The County shall not be liable for restoring pay and fringe benefits for any period(s) of time the appellant was reduced or removed from duty which results solely from the appellant's request for written briefs in the arbitration proceedings.
7. Restoration of pay benefits shall be subject to deduction of all unemployment insurance and outside earnings which the appellant received since the date of discharge which would not have been earned had the appellant not been disciplined. The appellant shall supply such outside employment earning records during the period of time in question when requested.
8. The arbitrator shall render findings sufficient both to enable the parties to determine whether and on what basis they should seek review and, in the event of review, to apprise a reviewing court of the basis for the arbitrator's decision. If the arbitrator fails to do so either party may request in writing within thirty (30) business days of the issuance of the decision that the arbitrator render such findings.

Section 10. Evidence and Procedures Applicable to All Hearings

- A. Hearings need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to relying on in the conduct of serious affairs.
- B. Hearsay evidence shall be admitted and may be used for the purposes of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support disciplinary action as defined in Section 1.A. herein, unless it is the type of hearsay admissible over objection in a civil action. The rules of privilege shall apply to the same extent to which they are recognized in civil actions.
- C. Irrelevant and unduly repetitious evidence shall be excluded.
- D. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, advocates, Management or employees of County departments involved in an arbitration, and communications between the union representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in a personnel hearing.

- E. Oral evidence shall be taken only on oath or affirmation. Any written statements, declarations, or affidavits admitted as evidence shall be made or sworn under penalty of perjury.
- F. Employees not testifying on their own behalf may be called and examined as on cross-examination.
- G. The employee and the department head shall have these rights:
 - 1. To call and examine witnesses;
 - 2. To introduce exhibits;
 - 3. To cross-examine opposing witnesses on any matter relevant to the issue, even though the matter was not covered in the direct examination;
 - 4. To impeach any witness regardless of which party first called the witness to testify; and
 - 5. To rebut any derogatory evidence.
- H. The hearing shall be a private proceeding among the County, the employee and SEIU.
- I. The intention of the parties is that appeals or arbitration hearings be adjudicated as efficiently and economically as possible. Historically the parties have found that the use of legal counsel in the appeal/arbitration process can result in excessive delays, longer hearings, and increased costs. The parties to an appeal hearing or an arbitration hearing hereby commit to instructing their legal counsel to conform to the intention of this MOU and to take all necessary steps to expedite the appeal/arbitration hearing and minimize the cost of the hearing.

In cases involving hearings in excess of three (3) days the parties must engage in a case management process with the arbitrator. The case management meeting must be held at least thirty (30) days prior to the first scheduled date for the hearing and may be held telephonically or over a virtual format (such as Teams or Zoom). The neutral shall consider:

- 1. the simplification of the issues,
- 2. the possibility of obtaining admissions which might facilitate the hearing,
- 3. the quantum of damages, in the case,
- 4. any preliminary application by either party,
- 5. any other matters that may aid in the disposition of the action or the attainment of justice.

At the case management conference the arbitrator may, whether or not on the application of a party, order that:

1. a party file and deliver, within a fixed time, to each other party as specified by the neutral, any relevant documents,
2. any preliminary applications be brought within a fixed time or by a specified date,
3. a statement of agreed facts be filed within a fixed time or by a specified date,
4. a party deliver a written summary of the proposed evidence of a witness within a fixed time or by a specified date,
5. experts who have been retained by the parties confer, on a without prejudice basis, to determine those matters on which they agree and to identify those matters on which they do not agree,
6. the hearing be adjourned,

and, on making an order the neutral may give other directions that they think just or necessary.

If the arbitrator, upon application by either party to the appeal hearing, determines that legal counsel for the other party has unnecessarily prolonged the hearing and/or increased the cost of the hearing beyond the reasonable expectations of the parties at the commencement of the hearing then the arbitrator is authorized to impose sanctions on the offending party including, but not limited to, ordering such offending party to pay all or part of the non-offending party's increased costs of the hearing, to pay all or part of the non-offending party's attorney fees, to pay all or part of the non-offending party's cost of the arbitrator, to pay all or part of the non-offending party's costs of the transcripts, or such other relief that the arbitrator deems appropriate in the circumstances.

ARTICLE 14 APPEAL PROCESS FOR NON-DISCIPLINARY RELEASE

Section 3. Waiver

If an employee fails to submit a complete appeal within the time specified, or fails to appeal the separation within the time specified, or after appealing, withdraws the appeal, the right to review is deemed waived. Further, after an appeal is filed, the parties shall begin selecting an arbitrator within ten (10) business days of receiving the request to appeal. If the employee, or their representative, fails to take the next step to advance the appeal (i.e., select an arbitrator and set a hearing date) at any point in the process for

ninety (90) calendar days the appeal is deemed withdrawn and the right to review is waived. (Note: It is not a requirement that the hearing be scheduled within the initial ninety (90) calendar days; however, the hearing must be scheduled as soon as reasonably possible without undue delay.)

Section 4. Appeal Procedure

- A. The parties shall maintain a jointly negotiated list of up to eleven (11) arbitrators who shall be selected by the striking method. The only remaining name after the striking process shall serve as the arbitrator. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. If the arbitrator chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the arbitrator.
- B. The hearing shall be set by the Human Resources Director, or designee, and the employee representative, or employee, within a reasonable period based on the arbitrator's availability and other scheduling factors.
- C. The employee may be represented by counsel or other representative; however, if the employee is not represented by legal counsel the employee shall be represented only by SEIU. The County may be represented by counsel or other representative.
- D. It shall be the duty of a County employee to attend a hearing and testify upon the written request of the employee, the department head, or the arbitrator, provided reasonable notice is given the department employing the employee. The arbitrator is authorized to issue subpoenas.
- E. All appeal hearings under this Section shall be reported by a stenographic reporter.
- F. The expenses of the hearing, including but not limited to, the costs of the arbitrator and transcripts shall be shared equally by the County and the Union. Employees missing their regular working hours to testify in these matters will not be entitled to premium or differential pay.
- G. In the event an employee is represented by the Union, the cost of the hearing shall be shared equally by the Union and the County. However, SEIU shall not pay any costs associated with an arbitration hearing when a member elects not to be represented by SEIU at the hearing.
- H. Any expenses incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or cancelling party.
- I. Within twenty-one (21) business days following the hearing of the appeal, or as soon thereafter as practicable, the arbitrator shall submit written findings of fact, conclusions of law and the decision to the parties.

1. The arbitrator shall confine the decision to whether, based upon the evidence at the time the County separated the employee, the employee was medically or psychologically incapacitated from performing the essential functions of their position for a permanent or uncertain duration. The arbitrator shall not substitute their opinion for that of the health care provider.
 2. The arbitrator's award, if any, shall be subject to deduction of all unemployment insurance and outside earnings which the employee received since the date of discharge. The employee shall supply records of such employment earnings when requested.
- J. Hearings need not be conducted according to technical rules of evidence. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely upon in the conduct of serious affairs. Irrelevant and unduly repetitious evidence shall be excluded.
- K. Hearsay evidence shall be admitted and used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support separation from employment unless it is the type of hearsay admissible over objection in a civil action.
- L. Medical records may be submitted and relied upon without the requirement that the health care provider testify to authenticate those records. This does not preclude either party from calling health care providers to testify in support of whether the employee is fit or unfit to perform the essential functions of the position.
- M. The rules of privilege shall apply to the same extent to which they are recognized in a civil action. In addition, communications between the Human Resources Department and advocates, or representatives of the department involved in the arbitration, and communications between the Union representative and the employee shall be confidential and not subject to disclosure in a hearing.
- N. Oral evidence shall be taken only on oath or affirmation.
- O. Employees not testifying on rebuttal may be called and examined on cross examination.
- P. The employee and the department head or designee shall have these rights:

Reasonable access to work areas by representatives of qualified employee organizations shall be in accordance with the provisions of the Employee Relations Resolution and this MOU. The grievant and one (1) representative are entitled to be released from work for a reasonable period of time in order to present the grievance. No person hearing a grievance petition need recognize more than one (1) representative for grievant unless, in the opinion of the person hearing the petition, the complexity of the grievance requires more than one (1) representative in order to fully and adequately present the matter.

All grievances shall be submitted to the Human Resources Department on the form prescribed by the Human Resources Director. No grievance petition shall be accepted for processing until the form is complete. Section 7. Consolidation

Grievance petitions involving the same or similar issues, filed by employees in the same representation unit, may be consolidated for presentation at the discretion of the person hearing the petitions.

Section 8. Resolution

Any grievance first filed with the Human Resources Department during the term of this MOU shall be subject to final and binding arbitration as the last step in the grievance process. It is the intent of the parties that any complaint against the County that would constitute both an unfair labor practice and a grievable complaint under this Article, the alleged violation is subject to deferral to binding arbitration within the meaning and intent of Government Code section 3505.8. This shall not be construed as any waiver of the union's right to file an unfair labor practice with the Public Employment Relations Board. Any grievance petitions resolved at any step of the grievance procedure shall be final and binding on the County and the grievant.

Section 9. Withdrawal

Any grievance petition may be withdrawn by the grievant at any time, without prejudice.

Any grievance petition not carried to the next step by the grievant within the prescribed time limits, or such extension which may be agreed to, shall be deemed resolved upon the basis of the previous disposition.

Section 11. Resubmission

Upon consent of the person hearing the grievance petition and the grievant, a petition may be resubmitted to a lower step in the grievance procedure for reconsideration.

Should the County or SEIU determine that it is necessary to amend its argument at Step 1 or Step 2 of the grievance procedure, the grievance petition shall be remanded back for

consideration at the previous step of the procedure. In the event such action occurs, the timelines set forth under Sections 14 (B) and (C) shall apply.

Section 12. Extension of Time

The Union, by this agreement, does not waive any of its rights to file grievances, unfair practice charges or other means to enforce the MOU in the future. The parties agree to meet in an attempt to resolve any future denials upon the request of the Union.

Section 14. Steps

The following procedure shall be followed by an employee or the Union submitting a grievance petition:

- A. Discussion with Supervisor. Prior to filing a written grievance petition, the employee or representative will attempt to discuss the matter with their immediate supervisor. The supervisor shall give a prompt response where it is possible to do so. The supervisor is entitled to have the presence of one observer during the discussion.
- B. Step 1. , The employee shall have twenty five (25) business days after the occurrence of the circumstances giving rise to the grievance to submit the grievance petition to the Human Resources Department. No later than ten (10) business days thereafter, the Human Resources Director, or a designee, shall render a written decision.
- D. Step 3. Failing to resolve the grievance at Step 2, the Union shall submit a written request for arbitration to the Human Resources Director, or designee, within ten (10) business days following the date the Human Resources Director, or designee, renders a decision.

- E. A grievance first filed with the Human Resources Department during the term of this MOU shall thereafter be subject to final and binding arbitration. For grievances first filed with the Human Resources Department before or after the term of this MOU shall be subject to advisory arbitration and decision by the Board of Supervisors in the manner prescribed herein. Final and binding arbitration shall sunset and terminate on the expiration of this MOU, except as to those grievances filed during the term of this MOU, unless the County and SEIU mutually agree to continue final and binding arbitration. Only the union may advance a grievance to arbitration pursuant to the terms and conditions of this Article; no individual employee may advance a grievance to arbitration without the union's participation as a grievant.

- F. In the case of advisory arbitration, the Board of Supervisors shall either accept or reject the neutral's decision, or accept part of the decision and reject the rest, without further testimony from either party. If the Board rejects all or part of the neutral's decision, the Board shall state its reasons for rejection. The decision of the Board of Supervisors shall be final. Unless mutually agreed, proceedings conducted at any step of the grievance procedure shall be private except the proceedings before the Board of Supervisors.

Section 15. Advisory and Binding Arbitration

- A. After submission of a request for review, SEIU and the Human Resources Director, or designee, shall attempt to agree on a neutral.

- B. The parties shall maintain a jointly negotiated list of up to eleven (11) neutrals who shall be selected by either the agreement of the parties, or by the striking method. The only remaining name after the striking process shall serve as the neutral. If unable to agree on who should strike first, the first name shall be struck by the party winning the toss of a coin. The list shall contain no fewer than seven (7) or more than eleven (11) names. If a neutral informs the County, they need to be removed from the list or can no longer serve, the parties shall promptly meet and confer over the addition of another neutral. If the neutral chosen is unable to serve within a time frame acceptable to both parties, the last name struck will serve as the neutral.

- C. At the beginning of the arbitration proceeding, if the County disputes that the grievance is arbitrable, the issue of arbitrability shall first be decided by the arbitrator as a threshold issue. If the arbitrator rules the grievance is not arbitrable, the arbitrator shall state the ruling on the record or issue a written ruling and the arbitration shall then be concluded. If the arbitrator rules the grievance is arbitrable, the arbitrator shall state the ruling on the record and open the proceeding to a hearing on the merits of the grievance.

- D. If either party wishes to have a transcript of the arbitration proceedings, the requesting party will be solely responsible for all costs associated with the transcript. If both parties request a transcript the cost will be shared equally.

- E. The expenses of the neutral, if any, shall be shared equally by the parties. Each party shall make arrangements for and pay expenses of witnesses that are called by such party, except that any County employee called as a witness shall be released from work without loss of compensation or other benefits to attend the arbitration hearing. Such arrangements shall be made through the Human Resources Director, or designee, with the employee's department head at least two (2) business days in advance of the hearing date.
- F. Prior to the arbitration hearing, the grievant and the Human Resources Director, or designee, shall meet and attempt to prepare a joint statement of the issues which describes the existing controversy to be heard by the neutral. If the parties are unable to agree on a joint statement, each shall prepare a separate statement of issues.

The neutral shall not decide any issue not within the statement of the issues submitted by the parties. This includes issues which have not been raised and considered at an earlier step of the grievance procedure.
- G. If the neutral sustains the grievance, a remedy shall be fashioned that does not conflict with the provisions contained in this MOU.
- H. Arbitration proceedings shall be conducted pursuant to the Voluntary Labor Arbitration Rules of the American Arbitration Association, unless the parties agree that the proceedings may be conducted pursuant to the Expedited Labor Arbitration Rules of the American Arbitration Association.
- I. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. In addition, communications between Human Resources Department employees, non-attorney advocates, management or employees of County departments involved in an arbitration concerning personnel matters and communications between the union representative and the employee who is the subject of a personnel action shall be confidential and not subject to disclosure in a grievance hearing.
- J. Any arbitration expense incurred as the result of a postponement or cancellation of a hearing shall be borne by the postponing or canceling party.

ARTICLE 16
ANTI-STRIKE CLAUSE

It is hereby agreed that the Union shall not take part in, nor call, sanction, foster, nor support any strike (including sympathy strike), work stoppage, slow-down, sick-out, nor interference with the County's operation during the term of this MOU.

Should a strike (including sympathy strike), sick-out, picketing, boycott or any other interruption of work occur, the County shall notify the Union of the existence of such activity and the Union will take all reasonable steps to terminate such activity and induce the employees to return to work.

ARTICLE 17
ON-THE-JOB INJURY OR ILLNESS

An employee who suffers an injury or illness which entitled them to benefits under the Workers' Compensation Law, and for which they actually receive or obtain medical treatment, shall be entitled to full compensation for the first ten (10) calendar days during which they is necessarily absent from duty as the result of such injury or illness, without deduction on account of accrued sick leave or other accrued salary credits. If such absence continues thereafter, they shall be paid as salary the difference between the temporary disability payments due them under the Workers' Compensation Law and the regular compensation, to the extent of the value of accrued sick leave, including, for this purpose, the value of accrued vacation credit and, if the employee so elects, accrued compensatory time off. During a period of temporary disability and in the proportion that the employee is paid for the difference between the temporary disability payments and the regular compensation, they shall continue to accrue sick leave and vacation benefits at the regular rate.

The right is reserved to make later adjustments as between salary and disability benefits to conform to the Workers' Compensation Law, or to conform to later development of facts, including the right to recover any overpayment directly or from future earnings.

- A. Definition of Seniority. Seniority shall be defined as the length of an employee's continuous service with the County, in a regular position, and is based on most recent date of hire. Time off due to low census staffing at the RUHS-Medical Center shall not count against an employee's length of continuous service with the County, in a regular position, even if the employee was absent without pay.

- D. Except as otherwise provided in this MOU, an employee shall lose seniority upon resignation, retirement, termination, or removal from all departmental reinstatement lists. Seniority shall continue to accrue while an employee is on the layoff list.

Section 2. Reduction in Force

- A. When it becomes necessary to reduce the work force in a department/district, the department/district head shall designate the job classification(s) to be affected, and the number of employees to be eliminated within the department/district. No regular employee shall be laid off in any job classification if there are contractors, temporary employees or seasonal employees in an active status in the same job classification and work unit within the department/district. A contractor or employees of a contractor may be retained when the contractor possesses essential skills necessary to the operation of the department and the bargaining unit employee(s) do not possess those essential skills as determined by the County. If the County concludes that bargaining unit employee(s) do not possess those essential skills the County will provide SEIU with a written explanation for its conclusion. It is not the intention of the County to use per diem employees for a replacement of regular laid off employees.
- B. Any reduction in the number of regular employees holding a job classification designated by a department/district head for layoff shall be made in the following order of employment status:
1. Temporary promotion employees (return to former class);
 2. Probationary new employees;
 3. Probationary transfer employees, probationary promotional employees, and regular employees.
- C. Layoffs of employees within each classification shall be based primarily on date of hire, with the least senior employees being laid off first. An employee may be laid off out of seniority when a less senior employee possesses essential skills necessary to the operation of the department, subject to the approval of the Human Resources Director. Employees laid off out of seniority shall be given written notice of this action.

D. After consultation with the Human Resources Director or a designee, the department/district head shall give notice to each regular employee affected by a reduction in force and to the recognized employee organization that represents the affected employee's representation unit, at least fourteen (14) days prior to the effective date of the action. The list given to the employee organization shall include a seniority list of the affected classes showing previously held positions. A list containing the names of the employees to be laid off shall at the same time be given to the Human Resources Director. The recognized employee organization shall be in receipt of the layoff notice twenty-four (24) hours prior to the time affected employees are notified. The official notice of layoff shall be given only by the employing department. The notice shall include:

2. The effective date of the action;
3. If laid off out of seniority.

E. If an employee who has received official notice of layoff has previously held regular status in another job classification within the department/district, and was not removed there from for disciplinary reasons, such employee shall, upon request, be given a transfer or demotion within the department/district to such other classification in lieu of layoff unless such action cannot be accomplished without authorization of another position or displacement of an employee with greater seniority. The affected employee must request such transfer or demotion within seven (7) days of written notification of layoff by personal delivery or mailing of a certified letter.

Regular employees who elect to demote under this provision shall be placed at a rate at or nearest to their present salary within the range of the class to which they are demoting provided such rate shall not exceed present salary.

F. SEIU will be provided a copy of the final layoff list.

Section 3. Reassignment

A. An employee not expected to be laid off may in lieu of reassignment elect to be laid off and be placed on the Departmental Reinstatement List if both of the following conditions exist:

1. The employee is being reassigned to a position previously occupied by an employee who was laid off within twenty (20) business days of the effective date of the reassignment; and
2. If the new work location is more than forty (40) miles from the employee's current work location or the employee's home, whichever is closer.

B. An employee who chooses to be laid off and have their name placed on the Departmental Reinstatement List under this section shall notify the department in writing of the decision at least three (3) business days prior to the effective date of

reassignment. Such layoff shall be on the same date as the reassignment would have been effective. An employee who selects this option shall be placed on the Priority Referral List.

Section 4. Employment Counseling and Priority Referral List

Prior to the effective date of layoff, every employee given notice of layoff may schedule an employment counseling session with the Human Resources Department for assistance in determining other employment opportunities within the County for which the employee may qualify.

- A. Only employees who have either been given layoff notices or are currently on a reinstatement list shall be referred first to any department/district requesting a recruitment for classifications from which the employees were laid off.
- B. Employees who meet the minimum qualifications and have either been laid off or have been given layoff notices shall be referred first to departments/districts requesting recruitments for all other classifications within SEIU bargaining units.
- C. Departments/districts are required to notify the Human Resources Department in writing why these candidates are unacceptable before outside candidates will be referred.

Section 5. Departmental Reinstatement List

- A. The name of every regular employee who is laid off due to a reduction in force, or who is laid off in lieu of reassignment under subsection (c) above, shall be placed on Departmental Reinstatement Lists for all classifications of a currently equal or lower salary range in which the employee ever held regular status, provided the department is allocated any positions of such classification.
- B. Any vacancy to be filled within a department shall be offered first, in order of greatest seniority, to individuals named on the Departmental Reinstatement List for the classification of the position to be filled.
- C. An employee's name shall be removed from Departmental Reinstatement Lists, for specific classifications, for any of the following reasons:
 - 1. The expiration of two (2) years from the date of placement on the list.

4. Request in writing to be removed from the list.

D. Status on Reinstatement. Reinstatement is defined as recall by the same department, from a Departmental Reinstatement List, into a regular position. Upon reinstatement, the employee shall be entitled to:

1. Restoration of all sick leave hours credited to the employee's account on the date of layoff.
2. Continuation of seniority.
3. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.
4. Placement on the salary plan/grade at a rate which is nearest former or current pay rate, whichever is higher, with the employee's hours at that rate being the same number of hours which the employee had at the time of layoff.
5. Continuation of all previous retirement benefits as allowed by CalPERS regulations, including but not limited to, the retirement calculation (i.e. single highest year or three (3) highest year average), compensation formula (i.e. 3% @ 60 or 2% @ 60), rate of EPMC pick-up required from employee, and survivor allowances as allowed pursuant to CalPERS regulations.

Section 6. Re-employment

A. Status on Re-employment. Re-employment is defined as being employed within two (2) years following layoff by the same or other department into a regular position other than that from which the employee had reinstatement rights. If re-employed, the employee shall be entitled to:

2. Continuation of seniority shall be credited to the employee upon successful completion of the applicable probationary period.
3. Credit for all service prior to layoff for the purpose of determining the rate of accrual of vacation leave.

B. Priority Consideration for Re-Employment. Vacant regular positions in SEIU represented classifications that a Department elects to fill shall be offered first to SEIU represented persons, by seniority, who have been permanently laid-off from

another SEIU represented classification for a period not exceeding two (2) years from the date of their initial lay-off provided that such person has the ability, qualifications, experience, availability and satisfactory work performance to fulfill the requirements of the position. If the Department Head or designate does not select a candidate that has been laid off from an SEIU classification, upon request, they shall provide justification, in writing, to the Human Resources Department as to the reasons for that decision. It is understood and agreed that the matter of determining the ability, qualifications, experience, availability and satisfactory work performance shall be made by the Department Head or designate responsible for the hiring decision and that the Human Resource Department official may also perform such an assessment. It is further understood that any assessment of an individual's ability, qualifications, experience, availability and satisfactory work performance will be measured against the posting requirements for the position. The County agrees to maintain a seniority list of laid-off SEIU members who are entitled to be considered for re-employment under this provision. SEIU members must make themselves available within seven (7) calendar days following the date they are notified.

Section 7. Temporary Recall

Departments may elect to recall laid off employees in order of seniority from the reinstatement list, for a temporary period of not less than thirty (30) days and not to exceed four hundred eighty (480) full-time hours within a six (6) month period. Acceptance of temporary recall is at the discretion of the employee and will not affect the employee's status on the reinstatement list. Should the temporary recall extend beyond four hundred eighty (480) full time hours, a permanent recall shall be effectuated, if sufficient work remains. The recalled employee shall be eligible for benefits as defined under this Article.

Both Parties must recognize that cooperation, problem solving, and long range planning are in the self-interest of their respective organizations and the public they serve.

The County and SEIU agree to have Labor-Management meetings on a monthly basis. A Labor-Management meeting need not occur every month, but will convene upon the request of either party.

No discussion or review of any matter by the committee shall forfeit or affect the time frames of any dispute resolution procedure contained in the MOU unless otherwise mutually agreed upon in writing. ARTICLE 30 PARITY

Section 1. Reopener re Children's Services Division

The parties agree that following approval of this MOU by the Board of Supervisors, the parties will engage in labor negotiations over the Difficult To Recruit (DTR) regarding the Social Services Practitioner's (SSPs) and the Social Services Supervisor's (SSSs) in the Children's Services. The current DTR applicable to employees who work in the Children's Services Division would remain in effect during these negotiations. If, after six (6) months following commencement of the negotiations the parties have not reached an agreement, the County will create a new classification for SSP's and the SSS's in Children's Services that will be five-and one-half percent (5.5%) higher than the then current rate for SSP's and SSS's who work in Adult Services. If an agreement is not reached and the County

creates the new classification for SSP's and the SSS's in Children's Services, they shall be eligible for their next merit increase, twenty-six (26) pay periods later.

Section 2. Salary Compaction

If during the term of this agreement, the maximum base salary of a supervisor's salary grade/plan for their classification is less than five and one-half percent (5.5%) of the maximum base salary for the classification held by a subordinate employee when that classification is currently filled by an employee that is supervised by the supervisor, the employee or union may request a compaction evaluation according to this section. In comparing the maximum base salary of the supervisor's classification to that of the subordinate employee's classification, shift differentials, "DTR" adjustments, certification or licensure pay, overtime/stand-by/on-call pays, bi-lingual premiums, specialty assignment premiums, out-of-class pay, "(D)" designation(s) classifications, and similar exceptional premiums shall not be included in the base salary comparison.

The Human Resources Department will review the compaction issue by first evaluating the reporting relationship of the supervisor to the subordinate(s) to ensure appropriate reporting relationships and proper class use. If Human Resources determines that reporting relationships are not appropriate, Human Resources will develop a remedy to correct the reporting structure and communicate the issue and intended remedy to SEIU. Upon request by the Union, Human Resources will negotiate with SEIU on any proposed changes to negotiable subjects prior to making those proposed changes. The County shall not implement a remedy to correct the reporting relationship in an arbitrary or capricious manner in order to avoid adjusting the salary range of the supervisory classification.

At no time shall reductions in the hourly rates of pay or salary ranges in any subordinate classification result in any reductions in the hourly rates of pay or salary ranges of any employee in the Supervisory Unit.

Salary Adjustments due to Compaction. If it is determined that the reporting relationship between the supervisor's classification and the subordinate's classification is appropriate and that compaction exists, Human Resources and the union will meet and confer (if requested by the Union) over salary adjustments to remedy the compaction. Supervisory classifications requiring salary adjustment due to compaction will be adjusted so that the deficiency of less than 5.5% in the maximum base salary of the supervisory classification is corrected.

ARTICLE 31 UNION RIGHTS

Section 1. Bulletin Boards

Space will be made available to SEIU on a reasonable number of departmental bulletin boards designated for such purpose, provided such use is reasonable. The County, through the Human Resources Director, or designee, reserves the right to suspend or cancel bulletin board privileges for abuse.

Bulletin board space will be visible and accessible to all SEIU represented employees at the worksite.

Section 2. Separate Payroll Deduction and Time Reporting Codes

- A. Insurance. The County agrees to provide SEIU with one (1) separate payroll deduction code for insurance related deductions.
- B. Release Time. The County agrees to provide SEIU with two (2) separate payroll codes for union related release time. 1. The following payroll code shall be established for use:
 - a. UNSER – Release Time to be reimbursed by SEIU Local 721
 2. All requests for release time by the union shall be processed by the County within a reasonable time from receipt of the request.
 3. Employees granted release time under this article shall not suffer any loss in compensation for actual hours released.
 4. The County shall provide the union with a total count of SEIU represented employees, for all bargaining units covered under this MOU, calculated from the first full pay period in January and July of each year. The aggregate total of the time bank for each calendar year shall be established from the average of these two (2) total employee counts.
 5. Release time under this provision shall be granted upon reasonable advance notice to the County. For the purposes of this section, reasonable notice is considered at least four (4) weeks prior to the date of the planned activity. In the event the union fails to provide such reasonable notice, the County may deny the request if the Employee's absence would negatively affect County services or operations.

Section 3. Worksite Access

The Union will maintain its existing rights to enforce their rights to worksite access.

The Union shall also be provided, upon request, a meeting room at all work locations, to conduct meetings with represented employees before and after work and during lunch periods (non-working time). Where facilities like RUHS exist and make impracticable the ability of employees on other floors to be able to attend a meeting due to limited lunch breaks, the County agrees to make every effort to provide additional meeting rooms to address this issue. All meetings will be scheduled through Human Resources., and, at the time the request is made the request will be granted, provided that the meeting room requested has not been previously scheduled.

Section 4. Education and Training Release Time

The County agrees to release SEIU represented employees for Union related education and training activities not to exceed an aggregate total of fifteen (15) minutes per

represented employee per calendar year. Time spent training Stewards in the grievance procedure through the providing of release time to prepare for grievances/administrative interviews and Skelly hearings, will be charged to this Article/Section. The parties agree that up to fifty percent (50%) of this bank may be used for Steward activities.

Effective March 21, 2024, the County agrees to increase the aggregate total to twenty (20) minutes per represented bargaining unit employee.

Section 5. Stewards

Except as set out below, SEIU may elect or appoint one (1) Steward in each County department, one (1) additional Steward in departments with more than two hundred (200) SEIU members, and one (1) additional Steward in departments with more than five hundred (500) SEIU members in more than ten (10) geographical locations.

At RUHS, SEIU may elect or appoint five (5) stewards as follows: two (2) at the Medical Center, one (1) at the Arlington Campus, and two (2) at Correctional Health. At Department of Public Social Services, SEIU may elect or appoint eight (8) stewards as follows: three (3) in south County, three (3) in mid-County, and two (2) in the desert.

To avoid any conflict of interest, any Steward elected or appointed from the supervisory unit shall be limited to representing employees in the supervisory unit. The Stewards are recognized as representatives of SEIU in their department with the power to bind SEIU in all matters pertaining to this MOU. SEIU agrees to notify the County Human Resources Department in writing of the names of its Stewards and the effective dates of their election or appointment.

There shall be no union activity on County time or premises except as provided for in this MOU. A Steward is permitted to represent SEIU in grievances, administrative interviews, or Skelly hearings, consistent with the representational rights granted by the *Meyers-Milias-Brown Act*. Stewards shall not be permitted to request preparation time pursuant to this Article. A Steward will not absent themselves from their work without first obtaining the permission of the department. To obtain permission the Steward shall identify: a) the specific reason for requesting permission, b) the employee(s) to be represented, and c) the general issue involved. SEIU agrees that the provision of County services is not to be negatively affected by any Steward activity permitted by this Article. Subject to the foregoing, the County will not unreasonably withhold permission.

Except as outlined below, the Steward will not be paid their regular wages while conducting steward business but will be permitted to use accumulated vacation and/or compensatory time, provided the use of such time does not result in the payment of overtime during that workweek. County will not pay for, nor shall the Steward be entitled to make any claim for, time spent on steward business during the Steward's non-regular working hours or for time spent on other union matters including, but not limited to, arbitration, PERB hearings, court, or depositions.

Section 6. New Employee Orientation

SEIU will be allowed to participate and present during new employee orientation.

County shall provide the Service Employees International Union Local 721 (SEIU 721 or Union) and membership@seiu721.org written notice of both county-wide and department-level new employee orientations/on-boarding sessions, no matter how few participants, and whether in person or online, at least ten (10) business days prior to the event except if there is an urgent need that is critical to the County's operations that was not foreseeable.

SEIU shall be permitted to make a presentation of up to thirty (30) minutes, and present written materials, during a portion of the orientation. No representative of management shall be present during the Union's presentation. Release time shall be granted for one (1) steward to participate in the new employee orientation. "New hires" shall be defined to include any employee new to SEIU 721, including, but not limited to, through accretion or promotion/demotion.

Alternatively, in the event that a new employee does not attend orientation or participates in orientation that is self-service (i.e. individual review of policies on-line, etc, then SEIU will be provided with the employee's cell phone number and e-mail provided to the County, and be allowed time within the first sixty (60) days of their employment to have a union orientation discussion not to exceed thirty (30) minutes during the employee's work time.

Section 7. SEIU Training Fund

The County will contribute one cent (\$0.01) per hour, for employees covered under the provisions of this MOU, for all regular hours compensated, to be allocated to the SEIU Local 721 Training Fund.

County and SEIU agree to look at training opportunities and funding for employees and families in labor-management meetings.

Employees may refer to the Educational Support Program website for further information on eligibility requirements, program policies & procedures, and the application process.

Section 8. Release Time for SEIU Local 721 Executive Board Meetings

Up to six (6) County employees, who are authorized representatives of SEIU Local 721, shall be entitled to be released on one (1) regularly scheduled shift per month for the purpose of traveling to and attending the monthly meeting. Any hours used to attend such meetings which are in excess of those provided under the provisions of this section shall be taken without pay or charged against the appropriate representative's paid leave banks.

County employees assigned to work in 24/7 facilities, who are working other than on a day shift, shall be allowed additional release time in such a manner that the total amount of release time utilized by the union under this provision does not exceed eighty (80) hours per month.

SEIU agrees to provide the County with a minimum of one (1) month's advance notice for release time under this provision.

It is not the intent of this provision to create any additional overtime obligations to the County.

Section 9. Release Time for the President, Vice President and Treasurer of SEIU Local 721

The Union shall have the option to cause the County to release an employee elected or appointed to the position of President, Vice President and Treasurer of SEIU Local 721 for full time work with the Union, while remaining on the County payroll. SEIU shall be obligated to reimburse the County. The reimbursement amount for the presidential, vice presidential and treasurer leave shall be based on actual costs for salary and benefits (including, but not limited to CalPERS retirement fund contributions) with a detailed breakdown of these costs provided to the Union at least on a quarterly basis. Said funds shall be paid by the Union upon receipt of bill.

Upon return to full time work with the County, the employee shall only be entitled to return to their established classification and rate of pay. The County is not obligated to return the employee to their previous work assignment.

SEIU agrees to provide the County with a minimum of two (2) month's advance notice for release time under this provision.

Section 10. No Retaliation

The parties agree that there will be no retaliation, reprisals, discharge, harassment of any kind, or discipline issued or pursued against bargaining unit employees as a result of participating in or supporting the parties' collective bargaining, the Joint Labor Management Committee, unfair labor practice charges or procedures, and/or other concerted activities.

RUHS LOW CENSUS STAFFING (MEDICAL CENTER ONLY)

Section 1. Low Census

Due to a low census in a critical care/specialty unit, RUHS may relieve Registered Nurses and Surgical Techs assigned to the unit from duty without pay in the following order: (1) Travelers/Registry; (2) RN's and Surgical Techs working an overtime shift; (3) per diem; (4) volunteers; ; (5) RN's and Surgical Techs on regular shift in inverse seniority order. Notwithstanding (5), each unit will maintain a list of RN's and Surgical Techs who have been relieved from duty due to low census and will rotate low census relief from duty among employees. No more than five (5) times per year, the Director or designee of a unit may alter the order above (1-5) to maintain competency related to patient care need.

Section 2. Reduction in Staff

Clinical Staff who are currently qualified to work in another area of RUHS shall be reassigned to such other area provided the employee is expected to perform only those tasks and functions for which they are currently qualified to perform.

When it is necessary and unavoidable to relieve an employee from duty, employees will be relieved in the following order listed below. No registry/traveler employee, within the same unit, shall be allowed to work at the same time a Registered Nurse has been relieved of duty as result of low census.

1. Registry/Travelers
2. Any employees on overtime
3. Per Diem/Temporary employees
4. Volunteers
5. Full time employees on scheduled shift

Section 3. Involuntary Low Census Day

At the discretion of RUHS management, employees may be relieved from duty without pay at any time it is determined that the patient census is such that their services are not immediately necessary. Reductions of staff shall be done in seniority with the least senior employee being affected, and shall be counted as an involuntary low census day. If the least senior employee assigned to that shift has already received one (1) involuntary low census day, the next least senior employee not having already received an involuntary low census day shall be assigned an involuntary low census day until all employees have been assigned one (1) day on a rotating seniority basis.

- A. If an employee is relieved from duty during their shift, and the relief from duty is at least fifty percent (50%) of their shift, this shift shall be counted as an involuntary low census day. An involuntary low census day log will be maintained by RUHS-Medical Center.
- B. An employee who has been relieved from duty on what would otherwise be their regularly scheduled shift shall be allowed to utilize previously accrued comp-time, vacation, holiday, or annual leave hours to receive pay for that shift equal to that which the employee would have received had they not been relieved from duty. However, where RUHS relieves a RN on regular shift due to low census in a critical care/specialty care unit instead of relieving a traveler nurse in the same critical care/specialty care unit RUHS will compensate the RN as if the employee worked their entire shift.
- C. An employee who has been relieved from duty on what would otherwise be their regularly scheduled shift will not be subject to a loss of benefits, excluding CalPERS service credit.
- D. Any regularly scheduled employee who is not notified at least two (2) hours prior to the start of their scheduled shift that they have been relieved from duty shall be allowed to report and work for at least two (2) hours. This minimum guarantee shall not apply if the County has contacted the clinician by telephone or text message at least two (2) hours prior to the beginning of the shift. Should RUHS make two (2) documented attempts to notify the staff member of a cancellation of shift but be unsuccessful in reaching the employee, they will be sent home and this pay provision will not apply. It will be the responsibility of the employee to maintain a current telephone number listed with the Staffing Office and their respective departments/units.

ARTICLE 33
FAIRNESS AGREEMENT

Section 1. Fairness with LIUNA

If, during the term of this MOU, LIUNA is given a higher valued merit increase, a COLA, flex benefit contribution, or additional payments by the County on behalf of employees for benefits that are not already granted in this MOU, SEIU shall be granted the identical increases, in the same fashion as afforded to LIUNA. SEIU agrees that this provision shall not apply to any classification and compensation changes made to LIUNA classifications as a result of the normal classification and compensation study processes conducted by the County.

This provision shall expire on a date that coincides with the expiration of this MOU.

ARTICLE 34
CONTRACTING OUT

Absent an emergency (defined as unforeseen circumstance beyond the control of the County which call for immediate action to include such things as acts of God or situations which threaten to significantly impair operations, including a work stoppage), the County shall reduce the use of traveler contractors within RUHS Medical Center currently performing SEIU 721 bargaining unit work by fifty percent (50%) (based on dollars) based on fiscal year 2023 total use of contractors and/or contract employees. Reduction of said amount shall be completed by the expiration date of this MOU.

ARTICLE 35
CASELOADS DPSS CHILDREN'S SERVICES DIVISION

CASELOAD EXPECTATIONS

Section 1. Definitions

Workload - It is understood and acknowledged by the County and SEIU that workload may vary from case to case and may vary during the existence of any one case.

Caseload – refers to the number of referrals and primary cases assigned to a Social

Services Practitioner (SSP) within the Children's Services Division of the Department of Public Social Services (DPSS).

Section 2. Caseload Goals

- A. The following goals for caseloads and referrals are current as of the date that the Board of Supervisors has approved this MOU. DPSS will continue to holistically review and update cases/referral goals and identify future goals (e.g., jurisdictional dispositions) for all social work units throughout the organization based on State and Federal mandates, guidance and policy. The County reserves the right to reopen negotiations on these goals.

Caseload Goals

New Referral	New + Carryover Referrals	Continuing Services	Permanency Planned*
8-10	16	18-23 individual children	14-18 individual children

* Defined as cases with the plan of long term foster care, ages 0-15, that are not in a specialized region (i.e., youth in congregate care settings, ILP, etc.)

- B. No later than twelve months from approval of this MOU by the Board of Supervisors, the County shall identify a goal for jurisdiction/disposition caseload and will share that goal with SEIU who will then have the right to meet and confer over the identified goal.
- C. Caseloads - It is the long term goal of the County to achieve caseloads (as defined in the box above) to enable SSP positions to provide a high standard of practice. Invariably, there will be deviations in caseloads depending on the range of responsibilities that exist in each case for SSP positions. The number of assigned referrals/cases for each SSP is not in itself a reliable measure of the workload of an SSP. The relative complexity of cases and the impact on capacity are also relevant factors considered in evaluating workload.
- D. The caseloads for SSP trainees should be as close to 75% of the caseload for a minimum of 6 months.

Section 3. Consideration of Performance/Discipline Based on Caseload.

In evaluating an employee's performance and whether discipline is appropriate for an SSP, the County will give due consideration to an SSP's caseload and what, if any, relationship may exist between the SSP's caseload and the behavior for which performance evaluation and/or discipline is being considered. Nothing herein shall be construed to limit the County's authority to determine the priorities of an employee's case tasks.

Section 4. Caseload Management.

- A. In an effort to equitably distribute manageable caseloads, County management will meet and assess departmental staffing levels and make adjustments accordingly. A quarterly caseload analysis will be a mechanism by which caseload distribution will be evaluated to assess appropriate allocation of referrals/cases. In pursuit of this goal, staff and/or cases may be reassigned within and between offices and regions to achieve an equitable balance.
- B. The County utilizes tools to manage caseloads including by, but not limited, to the following:
 1. Evidence-Based Structured Decision Making Hotline tools,
 2. Safemeasures,
 3. Policy ,
 4. Use of staff from other programs or units,

5. And other data mechanisms that evaluate caseload and responses
- C. The County's ability to provide equitable and manageable caseloads may be predicated upon certain variables including but not necessarily limited to unanticipated caseload growth, spikes in reports to the Child Abuse Hotline, and department-wide staffing levels. In order to ensure the success of staff and caseload distribution, managers must maintain the right to consider factors including, but not limited to:
1. Case Type
 2. Case Complexity
 3. Staff Experience
 4. Drive Time (e.g., Blythe)
 5. Performance Issues
 6. Support Functions
- D. The County shall ensure that there is a system in place for monitoring each SSP's individual caseload and for assigning new cases to assure equitable distribution of cases. It is the SSP's responsibility to diligently perform case practice and case management activities in an efficient manner and to work productively with the Social Service Supervisor (SSS) to identify and implement solutions to any case practice and case management issues inhibiting the safe transfer or closure of cases.
- E. An SSP may request an evaluation of their caseload from their SSS who will notify the appropriate manager.
- F. The manager shall analyze the nature and distribution of the cases within their workers' caseloads, and determine if any of the referrals/cases should be transferred, closed or remain with the SSP. On a monthly basis, the Department shall provide a caseload report to the Executive Office and the Union.
- G. Concerns regarding caseloads related to all programs can and should also be addressed in the joint labor management committee.
